President's Message.....

How many days left till the summer break? If you're like me, you can hardly wait for that time to spend it with family - and who deserves it more than you? June is not only a busy month for all of us at our workplaces, but at home as well where it's shuffling off our kids every-which-way for soccer, baseball, dance, graduations or whatever it may be.

June is especially busy for me with meetings. That brings me to an item requiring your input. In this year's budget, the District has allocated a one-time funding for the 2008-09 school year for Professional Development. After the Site Rep Re-imagining sessions, the overall consensus was the need for some kind of Professional Development with the District. Many shared the concern that there was no PD for those that wanted to advance to other positions within the District.

We would like to hear from you as to what type of Professional Development you want: (examples): training sessions for SIRS, People Soft, SEMS, School Cash Net (accounting program), Word, Excel, Twilight Series, etc.

It is important to get your input as I will be meeting with Dr. Miller to discuss these items. The **deadline** to receive this information is **no later than Thursday, June 19, 2008**. It can be either faxed to my attention at 547-0209 or sent by pony to St. Maria Goretti School.

In closing, I wish each and everyone a wonderful safe summer!

Executive for 2008-2009:

President	Bonnie Landry
Vice-President	Zsuzsanna Nemeth
Secretary/Treasurer	Patty Paulsen
Area A	Vacant
